

The mission of the Literacy Coalition of Palm Beach County is to improve the quality of life in our community by promoting and achieving literacy.

2024-2025 VOLUNTEER OPPORTUNITIES

Literacy Coalition Volunteering, Done-In-A-Day:

Read with Me: Volunteer to read one-to-one with elementary school students at local schools. The Literacy Coalition has selected a book and created activities for volunteers and students to share together each session. The students will get to keep the book and activity to take home. Read with Me sessions are set for the second Friday of most months from the Fall through Spring. (45 minutes).

Corporate/Group Reading Days: One or two volunteers read to a class of students, kindergarten through second grade, and follow up with a related activity. The Literacy Coalition selects a book and provides the activity. The book is donated to the classroom or media center. A group can read aloud and do the same activity in multiple classes, if time permits (45 to 60 minutes).

Read for the Record (October 24, 2024): Volunteers will read on this national reading day to a class of pre-school, kindergarten or first-grade students. (30 to 45 minutes)

Adult Essay Initiative: Review essays written by adult education students throughout the County annually. (45 minutes to an hour).

Organize a Book Drive: Collect new children's books for preschool-age children and elementary grade-level students served by the Literacy Coalition's programs. Check out our wish list of children's books on our [Amazon Wish List](#).

Coalition Program Support at our Blume Literacy Center in Boynton Beach:
